Sorry – left one off the list –

We also need to confirm for Air Products, in Reserve, 2014 ethylene oxide emissions of 1.6 tons.

Sorry for the omission,
Thanks,
Cindy

Subject: 2014 NATA emission numbers for Taminco, Sasol

Hi, Kelly,

We are finalizing our NATA assessment and need to verify 2014 ethylene oxide emission numbers for two Louisiana facilities.

Taminco, USA, Inc, St Gabriel, Iberville Parish, emissions of 1.1 tons

Sasol Chemicals, LLC, Westlake, Calcasieu Parish, emissions of 6.3 tons.

Can you please confirm these numbers with both of these facilities? We need responses by COB today. If you are not able to do this, can you please forward your contact information for these two facilities so that we can call?

Thank you,

Cindy K. Parker
